Tickets: \$25 members / \$30 concession & student / \$35 adult

All tickets include tea, coffee & a light supper after the show.

Join us for this heart-warmingly funny play, performed in-the-round, by the incredible Luke Hewitt. Every Brilliant Thing is an hour of life affirming humour that reaches into the soul of the audience, connecting and resonating in ways that holds and carries them from beginning to end.

Every Brilliant Thing is a play about everything worth living for – from ice cream, to staying up late to watch TV, to the music of Ray Charles. It's a responsible and hilarious way of talking about depression. With the help of the audience, who are thrown into the story as fathers,

lovers, friends and allies, it tells the story of a boy's response to his mum's suicide.

This award-winning play strikes the perfect balance between hurt and hope, using humour to have the hardest conversations.

"One of the funniest plays you'll ever see about depression" - The Guardian
